Chapter 11

**DECLARATION OF SEAN COLLINS IN
SUPPORT OF TEICHERT PIPELINES,
INC.'S OBJECTION TO PROPOSED
CURE AMOUNT**

Date: May 27, 2020
Time: 10:00 a.m.
Place: Courtroom 17
450 Golden Gate Avenue
San Francisco, CA 94102
Judge: Hon. Dennis Montali

21 I, Sean Collins, hereby declare as follows:

22 1. I make this Declaration and provide this written testimony in support of Teichert
23 Pipelines, Inc.'s ("Teichert" or "Teichert Pipelines") Objection to Proposed Cure Amount ("Cure
24 Objection"). I am over the age of 18, am competent to testify as to these matters (as more fully
25 explained below), and make them of my own personal knowledge.

26 2. I am the senior Credit & Contracts Manager for Teichert, and in that capacity,
27 personally responsible for billings, collections, accounts receivable, credit risk and analysis,
28 contracts, contract review, and for managing vendor relationships as well as associated record

1 keeping. In that capacity, I am the person responsible for the Teichert's billings to PG&E. I have
 2 either personally reviewed, or directed summaries of and received such summaries of, Teichert's
 3 billings to PG&E. I have personally therefore conducted a review and analysis of Teichert's
 4 receivables due from PG&E. The documents I have reviewed, including the invoices and billings,
 5 are those that are kept in the ordinary course of Teichert's business and in its relationship with
 6 PG&E.

7 3. Teichert Pipelines is a contract counterparty of the Debtor, pursuant to those certain
 8 agreements described as Master Services Agreement #'s 4400008031 (and including prior change
 9 orders thereto), and 4400011645 (C2544) (and including prior change orders thereto). Each MSA
 10 incorporates and encompasses associated Contract Work Authorizations ("CWA"), Purchase
 11 Orders ("PO"), and Blanket Purchase Orders ("BPO"), as well as any change orders thereto. The
 12 MSAs are referred to as "MSA 8031" and "MSA 2544", each a "Contract" both "Contracts".

13 4. The Debtor is in default under the Contracts as a result of unpaid and due and
 14 owing amounts totaling \$15,643,488.82, plus interest of \$2,220,089.65, for a total amount due
 15 under the Contracts of \$17,863,578.47 ("Cure Amount").

16 5. The first of the Debtor Identified Contracts/Invoices¹ is simply a change order to
 17 MSA 2544, with an effective date of June 1, 2020, that reflects substantial price concessions
 18 provided PG&E in recent months.

19 6. The following five (5) of the Debtor Identified Contracts/Invoices are PO's issued
 20 pursuant to the respective MSA's.

21 7. Not only are the cure amounts listed with respect to the Debtor Identified
 22 Contracts/Invoices incorrect (as set forth in the data submitted herewith), it is unclear whether
 23 PG&E seeks to assume the MSA's, specific CWA's, BPO's, or PO's.

24 8. Attached hereto as Exhibit 1 is a detailed listing of every invoice, identified as set
 25 forth therein by amount, invoice number, and additional comprehensive identifying information,
 26

27 ¹ As that term is defined in the Cure Objection.
 28

1 that make up the Cure Amount.² I personally compiled and prepared Exhibit 1 as set forth above.

2 9. Attached hereto as Exhibit 2 is a detailed listing of amounts due separated by MSA,
3 and categorized by PO/BPO. I personally compiled and prepared Exhibit 2 as set forth above.

4 I declare under penalty of perjury under the laws of the United States of America, that the
5 foregoing is true and correct.

6 Executed on May 15, 2020, at Sacramento, California.

SEAN COLLINS

26
27 ² There are 1,424 outstanding invoices issued under the MSA's, so font size is compressed due to
28 the amount of data. Electronic copies of the attached exhibits will be provided with service of the
Cure Objection.
